Greetings,

This letter serves to inform “The Soil Guys LLC” the following Soil Additive product(s) has/have been registered in North Carolina for the year 2026:

Consortia
Bokashi Bran

This also serves as a reminder that the soil additive registration period runs the calendar year. Your soil additive renewal will be sent out via the email that we have on file for you in December of this year.

If you have questions or need to update the email address that we have for you please email me at brooke.dee@ncagr.gov

Thank you,

Morgan Dee
